

Dear Applicant:

Thank you for your interest in applying for the, “Roof Outreach for Those Who Teach” Program!

Teachers are important to every community on our planet. Their influence touches all our lives and they contribute to each aspect of society. Teacher, educator, tutor, instructor, coach, trainer, professor, guide, guru, champion, counselor or mentor...there are many different kinds of teachers and they matter in so many different ways.

For the third year, Wyoming Roofing, in partnership with Owen’s Corning, Knecht Home Center and Basin Radio Network, is proud to be bringing a Roof Outreach campaign to Gillette, as a way to give back to our community. Roof Outreach for Those Who Teach, is a way to help a deserving educator, by providing a new roof at no cost. We believe that every teacher in every instance, has a heroic role. They have the most important job in the world; holding the future of our communities and societies as a whole is in their hands.

Nominations will be accepted at www.wyoroofing.com under the Roof Outreach tab, from May 1, 2018 to May 30, 2018. Any educators are invited to participate or may be nominated by a student, friend, neighbor or family member. From the submissions, a team of local volunteers will review all the nominees and the winner will be announced on June 15th on the Wyoming Roofing Social Media/Website and through our Community Partner affiliates.
